Reviews

It in one of the best ebook. It really is filled with knowledge and wisdom I realized this publication from my dad and i advised this publication to understand.

(Raina Lockman)

I REMEMBER YOU

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, I Remember You, Harriet Evans, Rich, witty and moving, I Remember You is for anyone who likes to dream about a new life - and for anyone who still remembers their first love. For Tess Tennant, spring brings the promise of a fresh start. She's moving back to her picture-perfect home town to take up a teaching job. Langford is a place of pretty stone cottages, friendly locals in oak-beamed pubs and of course Adam, her best friend since childhood. But Adam is preoccupied with a new girlfriend, and the past - which Tess thought she'd put behind her - is looming large again. So by the time she has to take her class on a trip to Rome, Tess is feeling reckless. She is swept off her feet by a mysterious stranger, and finds herself falling in love. But her magical Roman Holiday is about to turn into a nightmare. Back in Langford Adam is gone and everything has changed. Tess has to decide, once and for all, where she belongs and with whom.
