Penguin Putnam Inc, United States, 2010. Paperback. Book Condition: New. 208 x 138 mm. Language: English . Brand New Book. I AM is a fascinating, in-depth and eye-opening look at the very essence of how each of our lives are created in every moment. - Hale Dwoskin, author of the New York Times bestseller, *The Sedona Method* and featured teacher in *The Secret* For centuries humankind has been asking fervent questions about the meaning of life. As Howard Falco learned, the answers to these questions can ultimately be found in the answer to just one: Who am I? In late 2002, in the middle of an ordinary life, Falco-a thirty- five-year-old investment manager with a wife and two children-sought the answer to this powerful question and remarkably this quest resulted in a sudden and all-encompassing shift in his awareness that revealed more about life and how we each create it than he ever imagined knowing. Startled by this new understanding and its implications for his own life and the lives of all others, Falco set out to share his discoveries. The stunning result is this book. I AM takes readers on a life-changing journey in which they will discover the incredible power they have over their experience of life, finding that the doorway to eternal peace, happiness, and fulfillment lies in one of the shortest sentences in the written word but the most powerful in the universe: I AM.
