Sodertorn University, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Translating Hegel - The Phenomenology of Spirit and Modern Philosophy: Hegel s Phenomenology of Spirit stands at the crossroads of modern philosophy. Taking us from the lowest and simplest level of sense-certainty through ever more complex forms of knowing and acting, Hegel s monumental work even-tually aspires to nothing less than a blueprint for absolute knowledge: a unity of subject and object, finite and infinite, man and world, a notion that has continually provoked new reactions and counterreactions throughout the course of modernity. Is Hegel s work the consummation of classical metaphysics or the dawn of something new? Is he a fundamentally Christian thinker or does he herald the death of God? Should we read him as a precursor to modern phenomenology and hermeneutics, sociology of knowledge, pragmatism, deconstruction? In short: do we need to translate Hegel into some modern vocabulary to make him relevant to the present? And if so, what would such a translation imply for our reading of his texts? Translating Hegel: The Phenomenology of Spirit and Modern Philosophy contains the contributions from a...
