KW Publishers, 2015. Hardcover. Book Condition: New. First edition. Earlier this decade a statue of Confucius appears suddenly in Tiananmen Square in Beijing. It is facing Chairman Mao's statue in front of the Forbidden City. Mysteriously, it disappears a few days later. Why was it removed overnight? Where is it now?? No clear answers seem to have emerged. Most communist regimes have tried to make a break with the traditions of the past believing them to be the cause of all ills in society. But has the historical experience of Communist regimes shown that to be true? Today, Buddhist, Daoist and Confucian temples across cities and villages in China are crowded with people offering prayers. People swarm to pay their respects to their traditional sages. Like the warp and weft of a fabric, China has the mark of traditions and ancient ethos present in its society and this has come handed down over the centuries and across generations. Confucianism has been among the most well absorbed, best known and documented value systems in China. It was and still is a living tradition, a way of life and a philosophy. Propounded by Confucius (551-479 BC), this value system has had a lasting and deep seated influence on the Chinese. A philosopher and a thinker of the Spring and Autumn period, Confucius has been considered a wise and fair teacher and a shrewd strategist in war. In spite of the fact that Confucian values have been present beneath the surface in China along with Buddhist and Daoist beliefs for generations, it is interesting to study why Confucius is being talked about so much of late. Over the years in Communist China, Confucian thought had been swept under the carpet but resurrected in part depending on whether it suited the then current leadership....
