

## Six Drawing Lessons

Filesize: 5.05 MB

### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.  
(Derick Brekke)*

## SIX DRAWING LESSONS

DOWNLOAD

Harvard University Press. Hardback. Book Condition: new. BRAND NEW, Six Drawing Lessons, William Kentridge, Over the last three decades, the visual artist William Kentridge has garnered international acclaim for his work across media including drawing, film, sculpture, printmaking, and theater. Rendered in stark contrasts of black and white, his images reflect his native South Africa and, like endlessly suggestive shadows, point to something more elemental as well. Based on the 2012 Charles Eliot Norton Lectures, Six Drawing Lessons "is the most comprehensive collection available of Kentridge's thoughts on art, art-making, and the studio. Art, Kentridge says, is its own form of knowledge. It does not simply supplement the real world, and it cannot be purely understood in the rational terms of traditional academic disciplines. The studio is the crucial location for the creation of meaning: the place where linear thinking is abandoned and the material processes of the eye, the hand, the charcoal and paper become themselves the guides of creativity. Drawing has the potential to educate us about the most complex issues of our time. This is the real meaning of drawing lessons. Incorporating elements of graphic design and ranging freely from discussions of Plato's cave to the Enlightenment's role in colonial oppression to the depiction of animals in art, Six Drawing Lessons "is an illustration in print of its own thesis of how art creates knowledge. Foregrounding the very processes by which we see, Kentridge "makes us more aware of the mechanisms and deceptions through which we construct meaning in the world.".
