Can you find true love without a non-disclosure agreement after your picture is on the cover of Rolling Stone? Two musicians meet by accident in Seattle: Jason, the now infamous singer-songwriter, is at odds with the world because of falsehoods spread on the Internet. Susi, a classical musician whose previous life came off the rails, is building a new career as a music teacher, focusing on early Americana. Their separate worlds and professional yearnings quickly become entwined in unexpected ways. Jason wants Susi to sing the haunting songs he has written for her if he can just get his ex-wife out of his recording contracts. Susi doesn't want to sing in public and complains that Jason disturbs her hard-won serenity. Each tries to hide deep secrets from the other. Yet in love and on the Internet, who really has secrets? You'll find yourself rooting for a pair of unlikely lovers who must navigate Seattle's tangled indie music scene to stay together. Then there's the anonymous cyber-stalker who...
