

## Gods and Monsters: Thirty Years of Writing on Film and Culture

By Peter Biskind

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Gods and Monsters: Thirty Years of Writing on Film and Culture, Peter Biskind, Here is Hollywood over the last three decades - the superfreaks, lowlifes, charlatans, and the occasional geniuses who have left their bite marks on American culture, as refracted through the trajectory of Peter Biskind's career. Biskind began as a radical journalist and film critic. Now he can legitimately describe himself - as he does in the autobiographical introduction to this book - as a 'recovering celebrity journalist'. At the heart of the book are the likes of Martin Scorsese, Robert Redford, Terrence Malick, Sue Mengers, and uber-producer Don Simpson, all of whom Biskind portrays in great Dickensian detail, charting how they have had a simultaneously strangulating and liberating effect on the industry.

### Reviews

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Keanu Johns**

*This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.*
