Everything you need is included in the book reproducibles, patterns, activity sheets, games, and assessment materials. I started the Mastering Math Facts program just a week ago and my kids are already starting to learn the multiplication facts! They are actually excited every day to take the quiz. So easy to get started in the classroom. An awesome product! --Elaine Laws, Third Grade Teacher I have used Mastering Math Facts with both fourth and fifth grade. It doesn't matter how well they know the math facts when we start everyone learns them by December. We do the daily drill using white boards and a weekly fact test on Fridays that's random. A great resource that I use every year. --Tisa Fischer, Fifth Grade Teacher This was, by far, the easiest way to teach multiplication I ve...
