Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Time Warner Trade Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Once Smitten, Twice Shy, Lori Wilde, Legend claims this antique Irish wedding veil can grant your heart's deepest desire. But be careful what you wish for. Wedding videographer Tish Gallagher is at the end of her rope. Her business is about to go bust. She's just spent her last buck on nonreturnable (but oh so fabulous) shoes. And her most sustainable relationship is with a pint of Haagen Dazs. So she makes a wish on the lucky wedding veil to get out of debt and sees the man she never stopped loving, her ex-husband, secret service agent Shane Tremont. Sure, their chemistry was off-the-charts sizzling hot, but their clashes were legendary, and no amount of longing will change that. When her dream job of recording the first daughter's wedding appears out of the blue, Tish knows it's her only shot to get out of the red. Just one teensy glitch: Shane is the groom. From the moment they see each other, she knows nothing's changed--the same old black magic is still between them, as irresistible and potent as ever. But he's promised to another and Tish has been burned before. Will she always be. ONCE SMITTEN, TWICE SHY?.
