Brand New Book ***** Print on Demand *****.So you think you weathered through the worst having nursed and cared for a colicky infant? You are probably looking forward to enjoying a restful sleep after seemingly endless months of waking up every 30 minutes or so. Well, you re in for a surprise! As soon as your child hits the toddler age, you re faced with a whole new set of challenges that will make 9 months of being pregnant seem like a walk in the park. Make no mistake, parenting is profoundly rewarding. As your child turns two, you will no doubt enjoy watching your toddler knock out one milestone after another. At this stage, toddlers start to walk, talk, explore and discover the world beyond the safety and comfort of their parent s protective embrace. They will also start to develop their own unique personalities and little by little start to assert their independence. Stating that toddlers are a handful is a gross understatement. When you really think about it, it s quite astonishing how a tiny child can effortlessly turn our worlds upside down and inside out. Along with the immeasurable joy and sense of fulfillment, raising a toddler can also be extremely frustrating and exhausting. This book aims to provide parents a helping hand in weathering and making the most out of what is unarguably one of the most turbulent phases in child development. This book offers practical yet highly effective and time-tested tips, tricks, and valuable information on toddler rearing, helping frazzled parents maintain their sanity as they undertake one toddler issue after another. Quick Secrets For Parenting Toddlers, Easy Toddler Discipline Tips and Help For Toddler Behavior Problems discusses positive...
