Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, The Future of God: A Practical Approach to Spirituality for Our Times, Deepak Chopra, What has God done for you lately? Faith is in crisis. Are God and faith still useful in the modern world? If God is to have a future, Deepak Chopra argues, we must find a new approach to spirituality. For this we don't need better belief systems or scriptures - we need to rethink our place in the universe itself. Chopra reveals how God is about much more than religion. If God stands for absolute goodness, love and truth, and we are part of God, we have a connection to those things. Chopra explains the logic of faith, while providing an incisive critique of militant atheism. If God has a future, Chopra reasons, the results will be for the betterment of us all.
