Lippincott QA Review for NCLEX-RN, 12th edition is designed to help pre-licensure nursing students prepare to take the licensing examination. Students and faculty also use the book as a study guide and practice tests for preparing for faculty-made examinations. The questions support the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationale for both correct and incorrect answers, information about the NCLEX-RN, study tips, and a Content Mastery and Test-Taking Self Analysis grid by which students can chart their own progress and modify study plans as needed.
