Phil Williams Consulting, LLC., United States, 2014. Paperback. Book Condition: New. Victor Guiza (illustrator). 277 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.Let Mother Nature be your guide. Try working with her, and she will provide. Eden s dad, eager to exit the rat race, buys a farm. Eden is disappointed when the farm looks more like a factory than the country setting she imagined. With the animals and their future at stake, she must trust Mother Nature. While peering through the hole in their fence, Eden catches a glimpse of the natural beauty next door. She befriends Farmer Phil, who teaches her to observe. Through observation, Eden understands the plants and animals, but she doesn t know what to do. Farmer Phil advises her to read from the book of nature. To save the farm, Eden must see that the problem is the solution. Farmer Phil s Permaculture is a children s picture story book suitable for ages 5-10, although the rhyming scheme also appeals to the younger crowd. With permaculture principles embedded throughout, and stunning artwork, practitioners of the sustainable design science won t be disappointed.
