THE LOVE THAT KEEPS US SANE: LIVING THE LITTLE WAY OF ST. THERESE OF LISIEUX (ILLUMINATIONBOOKS)

Illuminationbooks. Paperback. Book Condition: New. Paperback. 104 pages. Seeing life in light of Eternity This is not a book about using Thrses little way as a path to holiness. Thrses spirituality is often dismissed as cloyingly sweet and sentimental, useless for modern seekers. This new IlluminationBook uncovers how Thrses sweetness was just a stylistic convention expected in the religious writing of her day. Beneath the form, says the author, is a straightforward spirituality that offers a practical, concrete, and very realistic method for preserving ones sanity in an often-insane world. At the heart of Thrses method is learning how to keep ones perspective by seeing all things in light of eternity, seeing all things the way God sees. This enables one to live more authentically and more attentively. The method helps readers to become involved in life without being absorbed by it, to love without becoming enmeshed, and to deal with lifes absurdities without losing faith or peace of mind. Five simple everyday choices help foster this perspective and transform ordinary life into moments of true grace. Those already devoted to the Little Flower will love this fresh new look at her spirituality. In addition, the book makes for enlightening and perhaps surprising reading for pastors, clergy and religious, directors of religious ed, retreat directors, chaplains, and family counselors. The principle of viewing life in light of eternity can also provide comfort and relief for parents dealing with children, for those experiencing change or loss, and for people in therapy. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
