### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Not illustrated. 1898 Excerpt: .of the debased kind that was in vogue in the sixteenth century, which without doubt must have been placed over it by Sir Richard Ashton when he rebuilt the nave in 1524. Now, it may be taken as certain that a monument so conspicuous as this one is must have been intended to commemorate some person or family that was well known and of great importance. At the time of Richard Ashton it was probably remembered who this person or family was, and hence the care that was taken, when the aisle was extended northwards, to place it in a recess and arch it over, so as to prevent it being trampled on and effaced. But in all the genealogies or pedigrees, not merely of the lords of Middleton, but of any of the families in the neighbourhood, or with whom they intermarried, there has never been a family of the surname of Maud. For many years I was unable to imagine how a statement so ridiculous could have found its way into a professedly historical work, and it is only within the last three or four years that I have found a clue to the origin of the statement. An important monument like this, which was so well cared for by the early lords who succeeded, must have been intended as a memorial to some person of dignity and influence. All antiquaries, whose reputation entitle them to respect, have given as the most probable explanation...
