

A Short Synopsis of the Most Essential Points in Hawaiian Grammar (Classic Reprint)

By W D Alexander

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Short Synopsis of the Most Essential Points in Hawaiian Grammar As all former grammars of the Hawaiian language are out of print, at the solicitation of friends, I have revised and enlarged a brief synopsis of Hawaiian grammar, which was originally written for my pupils, and published in 1864. This little work does not pretend to be a philosophical treatise, or to be a complete account of the structure and peculiarities of the Hawaiian branch of the Polynesian language. But it is hoped that it may be of service to those who wish to study the genuine, uncorrupted idiom as spoken by the older Hawaiians, as well as to students of comparative philology. The terms and divisions of European grammars have been retained for the convenience of students, although they are only partially applicable to languages of a radically different type. I have to acknowledge my obligations to Rev. L. Andrews Hawaiian Grammar, to Dr. Maunsell s New Zealand Grammar, and to M. Gaussin s able work on the Polynesian language. About the Publisher...
