The valiant little bird. The snake story is a charming story for the little ones, because it takes them to a wonderful world of fantasy; the world of Billy. It s full of lessons for the children: encourages kids to always ask for help to their parents when they are in trouble and above all, it reminds us how important family integration is. As part of a collection where Billy is always the central protagonist, these stories tell his adventures in the forest while teaching important values to our children in their first stages of life. It s simply narrated and full of colorful illustrations. It s just an ideal story book for bed time.
