Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

JACOB'S HANDS

St Martins Press, New York, 1998. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This previously unpublished tale by Aldous Huxley and Christopher Isherwood, two of the greatest storytellers of the 20th century, uses tight, vivid and seamlessly crafted prose to show the dangers that a magical gift will undoubtedly bring to even the sincerest of characters. In this story, Jacob Ericson is a shy, enigmatic and somewhat inept ranch hand who works for crochety Professor Carter and his crippled daughter, Sharon, on a ranch in the 1920s. One day he finds that his hands possess the mysterious gift of healing, a gift he uses to cure animals. Sharon then persuades him to heal her. From there his powers become slowly more exploited until he is recruited to heal an ailing young millionaire. It is then that he finds the love and security for which he has worked so hard begins to collapse. A wonderful fable. 12mo - over 6³/₄ - 7³/₄" tall. Quantity Available: 1. Category: Fiction::Fairy Tales, Folklore, Mythology; ISBN: 0312194676. ISBN/EAN: 9780312194673. Pictures of this item not already displayed here available upon request. Inventory No: 002348.
