KRAFTWERK (2ND REVISED EDITION)

Omnibus Press. Paperback. Book Condition: new. BRAND NEW, Kraftwerk (2nd Revised edition), Updated to include details of the group's recent concerts under the direction of Ralf Hutter. David Buckley examines the cult enigma that is Kraftwerk, including their beginnings in the avant-garde musical terrain of late-Sixties Germany and their Anglo-American breakthrough with Autobahn in 1975, as well as their astonishingly prescient work, which drew the musical template for techno, ambient, dance and all manner of electronic pop. Includes an interview with former member Wolfgang Flur. The inner workings of this most secretive of bands are revealed through interviews with friends and close associates, whilst the story of their incredible impact on modern music is traced up to the present day using interviews with a host of musicians, from original electro pioneers such as Gary Numan, the Human League, OMD and John Foxx, to contemporary acts still in awe of the original Man Machines.
