1. An applicant for admission must be between 15 and 21 years of age. (His mental and physical development must be such as ensure his being able to pursue the advanced studies and to perform the industrial work.) 2. He must pass a thorough entrance examination completing the common branches equivalent to the entrance examination into the High School. 3. An applicant must be in good health. A physician s certificate, according to the form prescribed by the Directors, must accompany the application. Where practicable, a physician will be designated near the residence of the applicant, from whom such certificate must be obtained. 4. An applicant must be of good moral character and able and willing to perform hard out-door work. Satisfactory references must accompany the application, and wherever practicable, the recommendations must be submitted by the applicant to be endorsed by the member of the Auxiliary Board representing the State in which such applicant resides. 5. Preference will be given to the applications...
