Brand New Book ***** Print on Demand *****.In the summer of Molly s fifteenth year, a speedboat landed on her head. She suffered a horrendously severe brain injury and experienced a miraculous and unprecedented survival. She woke up to the realization that she had to relearn everything, and she had the next three tenuous, painful years to figure out how far she would recover. That was high school. When courage, faith, and affection from the family and friends combine, medicine may get a miracle . . . -- Jacqueline Carpine-Lancre, director of historical..
