Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Jeevan Mukti or Liberation in Life is a collection of discourses by a liberated and practical saint of our times - Baba Faqir Chand Ji Maharaj. His sublime, direct and lucid words emerge from his practical experiences and therefore encourage sincere seekers to practically apply and test these teachings in their own lives. This idea of liberation or salvation is found in all major religions in one form or another, but what is this liberation that a person might seek in this life? Those who come to this inner path of spiritual research either come with curiosity or longing due to suffering and restlessness experienced in this impermanent world of duality and change. Liberation in life is freedom from suffering and whatever keeps us from realizing the ultimate peace, happiness and rest which is our own true nature. Baba Faqir Chand Maharaj openly and directly shares his experiences and wisdom for the benefit of all humanity.
